Dear Parents & Carers

Merchant Taylors' Oxfordshire Academy Trust is delighted to announce the appointment of Joe Dunckley as the new Principal of Aylesbury UTC from 1st September 2023. Joe was an outstanding candidate from a strong field and performed very impressively indeed over the two rigorous days of the interview process. He is an experienced and successful school leader across different settings and has, in particular, previous experience within the UTC network.

The Trust also wishes to express its appreciation for the excellent leadership of Nick Lamb as Principal over the past two years as his secondment ends and he returns to Wallingford School.

Yours faithfully

John Marston
MTOAT CEO
